

UN 2030 Global Goals Impacts on Companies and their Stakeholders

prosper

THE GLOBAL GOALS
For Sustainable Development

prosper

a thriving world

a sociable world

a resilient world

a clean world

a productive world

How the Private Sector will support the Global Goals?

- Inclusive and sustainable growth
- Financially self-sustaining, scale solutions to poverty
- Delivered through core business and value chains:
 - Decent jobs,
 - Providing investment
 - Policy support
 - Responsible business
 - Community investment

a thriving world

We will accelerate growth and social development through our value chains

1 NO POVERTY

2 ZERO HUNGER

5 GENDER EQUALITY

8 DECENT WORK AND ECONOMIC GROWTH

10 REDUCED INEQUALITIES

a sociable world

We will endeavour to make beer the natural choice for the moderate and responsible drinker

3 GOOD HEALTH
AND WELL-BEING

a resilient world

We will secure shared water resources for our business and local communities

6 CLEAN WATER
AND SANITATION

Putting it together

SABMiller is committed to helping make the Global Goals a reality: each of our Prosper shared imperatives will enable us to contribute to key Global Goals.
